

COMPANY PROFILE

RELATED LINES Company for Logistics Services
Customs clearance - transportation - shipping

Head office: Damman port
Branches: Jeddah port & Rabigh port

Our services

Customs clearance

We register the shipment's details in the Saudi customs system before its arrival to ensure fast clearance while adhering to the customs rules and regulations approved by the Zakat, Tax, and Customs Authority

Transportation and Delivery

We utilize a fleet of equipped vehicles and provide full cargo insurance to ensure shipments arrive safely at their final destination throughout Saudi Arabia.

Shipping (sea freight)

Our company provides all types of sea freight services, offering reliable and efficient logistics solutions to meet import and export needs. We are committed to providing safe and timely shipping services that ensure cargo arrives on schedule and at the best cost.

Loading from the port

Our team is trained to use the appropriate loading equipment according to the type of cargo to ensure its safety.

Invoicing

We provide detailed and transparent invoices to ensure customer satisfaction and trust in our services.

Why do our clients choose us?

01

Years of experience.

02
